(As appeared in the Proposed Budget Book)

Ladies and Gentlemen of the Manitowoc County Board:

The Manitowoc County 2014 budget that I am proposing today, calls for a tax levy for operations of \$28,859,332.83, to support total spending of \$59,814,824. Since the increase in the tax levy from last year is less than the 0.587% growth in property attributable to new construction for 2013, for the eighth year in a row typical Manitowoc County property owners will see a slight decrease in the taxes they pay for Manitowoc County government. This is important good news for taxpayers.

As in the previous 7 years, this budget is tight but balanced; forward looking and fair. It was put together following the two core principles we have adhered to for the past 8 years: continuing to hold the line on the growth in property taxes while delivering high quality essential services to the citizens of Manitowoc County, and providing job stability whenever possible to county employees. Neither is easy to achieve in this time of great economic uncertainty.

This proposal accepts the reality we find in front of us. Raising taxes is not an option. It is unwise, unjustifiable and limited by state law. Our national and local economy continues to grow slowly as it rebounds from the economic turndown of 2009. Costs in some areas have risen beyond our control while revenues from some other sources continue to fall behind. Please keep this in mind as you inspect this proposal. You will find that it allocates available resources in a responsible way. There are no frills included or reserves available for new or additional spending.

Before summarizing the budget proposal for 2014, I would like to express my appreciation for the willingness of the County Board over the past eight years to join me in making difficult but necessary decisions that have allowed us to successfully hold the line on property taxes while providing high quality essential services. We have worked well together aggressively and continuously restructuring County government in a positive way that serves our community well. We have managed within the limits of reality and have tried to anticipate change when possible - all while striving to deliver high quality County services that were affordable to taxpayers, as we have also worked to preserve the jobs of our employees whenever possible.

Prior to discussing 2014 let's recap our recent budget history and look at a partial list of the successes we have achieved together over the past eight years:

- In 2006 we confronted the rapid growth of employee health insurance costs which threatened our long term viability as an employer by implementing a health care consumerism model in the form of a wellness based, qualified high deductible health plan utilizing Health Savings Accounts. Our employees are now fully engaged as important decision makers about their own health care. This has been very successful.
- 2. In 2008 we completed the successful sale of the County owned Health Care Center to a private operator who continues to provide high quality nursing home and rehabilitation services to the people of Manitowoc County saving taxpayers millions of dollars each year.

- 3. In 2008 and 2009 the County Courthouse underwent a much needed multi-million dollar roof restoration project. The public entrances, which were in a dangerous state of disrepair, were rebuilt and now provide safe and convenient access to a restored Courthouse. Tuck pointing in 2013 and 2014 continues important preventative maintenance aimed at preserving this important taxpayer investment.
- 4. In 2010 a million dollar jail technology project was completed updating the control mechanisms necessary to operate a modern jail with capacity in excess of 150 prisoners a day.
- 5. In 2009 and 2010 our Highway Department was transformed from operating as a construction company competing with private industry to a sustainable size and shape that focuses on our primary responsibility to look after state and county highways.
- 6. In 2010 the responsibilities of the Long Term Care Division of the Human Services Department were absorbed by the newly created Lakeland Long Term Care District which delivers the State's Medicaid based "Family Care" program. In 2013 Manitowoc County reached "full entitlement" as waiting lists have been eliminated and more services are available to county residents.
- 7. In late 2010 we began a total rebuild of the County communications system. The \$15 million project is complete and includes a new modern dispatch center, new radio towers, and the sophisticated radio and information systems equipment conforming to new federal regulations.
- 8. An important element of the communications project was the relocation of the Information Technology infrastructure that all County departments depend upon. This department is now housed in secure guarters in the new Communications and Technology building.
- 9. As a direct result of 2011 Wisconsin Act 10, beginning in 2011, we simplified overtime rules, while continuing to pay overtime in excess of the Fair Labor Standards Act. We've already realized over half a million dollars of savings annually with prospects for more progress in the years ahead.
- 10. We continue to act in concert with other governmental units. In 2012 we began a partnership with Kewaunee County to deliver long term care services via a two county Aging and Disabilities Resource Center (ADRC). This collaboration continues to grow, as we have worked with Kewaunee County to consolidate the two separate county Aging programs into one. In the year ahead we expect to embark on similar joint efforts with neighboring counties expanding mental health services in conjunction with new programs enacted by the Legislature in the most recent State budget.
- 11. In 2013 we updated sick leave and began providing short term disability benefits for employees, bringing our fringe benefit package more in line with the marketplace and reducing the growing unfunded long term liability for sick leave that was accruing. In the first year we have seen a significant decrease in the use of sick leave and have offered employees a valuable new benefit at a cost less than projected.
- 12. During this past year we purchased a building and completed the move of the County Health Department to new quarters replacing a facility that had outlived its usefulness, and in doing so provided space for that department to serve the people of our community for years to come.
- 13. Early in 2013 we closed our local Juvenile Detention Center and switched to renting space for juvenile detention as needed in the Sheboygan County facility as we continue to experience decreased demand for incarcerating juveniles. In doing so we freed up nearly half a million dollars annually allowing us to commit resources to alternative approaches to juvenile justice and meet our other budget priorities. This has worked very smoothly operationally in its first year and bodes well for the future.

We have continuously focused on long run financial viability by keeping our debt load low, borrowing only for the major long term projects. Among local government in Wisconsin, Manitowoc County has a very low level of long term debt significantly reducing financial risk going forward.

Together we've kept focused on our mission and made the investments necessary to position County government to be a positive factor in the life of our community. In these past eight years nearly every department has undergone major changes as we have streamlined our management structure and flattened organizational charts. Thanks to you, Manitowoc County government is not only more effective, but also more sustainable, nimble, and better able to adjust to change in the future.

Now to the 2014 budget:

My budget proposal contains several key items that I would like to specifically draw to your attention as you deliberate:

- 1. The proposed tax levy for next year holds the line on property taxes, is narrowly within the limits of state law, and provides the typical county property taxpayer with a slight tax decrease.
- 2. We use no general fund reserves to balance the budget, and there are no excess reserves available to increase spending or further reduce the tax levy.
- 3. Although there have been no general wage increases since 2010, this budget proposal contains a general increase in the base wage level of our pay plan of 1% at the beginning of the year and an additional 1% at midyear. This is in addition to the increases described below which are already scheduled as a result of adopting the pay plan for 2013.
- 4. We are continuing to implement the wage and salary study which was proposed and approved in the 2013 budget. The pay plan realigns pay for similar work internally and connects our salary structure to the marketplace around us. In 2014, the second year of the plan, more than 190 employees will be getting scheduled pay adjustments separate from the general salary proposal as their salaries are being brought in sync with the plan. Looking ahead toward 2014, we will be implementing the performance management tool that allows us to use this plan as a way to reward employees for continuing good work.
- 5. Health Insurance costs are increasing at least partly due to the implementation of the new national health insurance law. The Affordable Care Act requires that if we provide health insurance to our employees we must also provide health insurance to their dependents. The Affordable Care Act does not include spouses in the definition of dependent. As a result we are making changes to our plan to take this into account. We will be implementing a working spouse provision that will require the spouses of employees who have access to health insurance through their employer to enroll in that employer's health insurance plan, unless the premium contribution for that coverage exceeds \$250 per month.

Our actuarial consultants project that our health care costs would increase by 10%-12% next year if we maintain the status quo, amounting to well over \$500,000 in new costs. Because these dollars are not easily available we are proposing modest employee contributions to the cost of coverage. For 2014 we are proposing that coverage be separated into three tiers; single employee, employee plus dependents, and employee family including spouse, with contributions rates of 2%, 4%, and 7% of coverage respectively.

6. My budget proposal also contains \$400,000 in additional road construction and rehabilitation funding for the highway department, \$350,000 of which will allow us to capture an additional \$1,600,000 of state and federal money targeted for county highway projects. These additional resources will allow us to begin to catch up on county highway rehabilitation that had been put off due to the budget pressures of the past few years.

As you work to understand the elements of my proposal I draw your attention to the section of the budget booklet which re-states and summarizes appropriations on a department by department basis. This section provides important information on the mission, resources, staffing, and tax levy necessary for each department; making for an easier understanding of its impact. You'll find that employment levels remain stable. Other information included in the miscellaneous section is also important to help a reader get a better understanding of specific new proposals for 2014, how they fit into the entire Manitowoc County budget plan, and the challenges we all face.

I believe that this is a good plan. I look forward to your deliberations over the next few weeks and would appreciate your support of these proposals. I invite you to meet with me as needed, informally or at the committee level, to help answer your questions, help you understand details in this budget, and evaluate options under consideration as you prepare to pass it at your regular monthly meeting on the November 19th.

This budget meets the needs of our community. We value our employees and the work they do. We understand our responsibility to taxpayers. Unfortunately the economic downturn that began five years ago is not over. Making these decisions can sometimes be difficult, but now more than ever we need to make the right ones to help move our community forward and position county government to serve effectively years into the future. We've done this before, and can do it again this year.

As is always the case please don't hesitate to call on me if I can ever be of assistance to you on this or any other issue of importance to you. Thank you very much for your consideration.

Sincerely,

Bob Ziegelbauer

Note * - Actual tax rates will vary by individual municipality because portions of the tax levy are allocated differently throughout the County. The levy portion supporting the library is apportioned only to towns and villages, and the levy portion for bridge construction is only apportioned to towns. In addition to the County Tax Levy shown above, the County collects on behalf of the State of Wisconsin a forestry tax levy and other minor special assessments which are not considered as revenues to the County and are not included in the tax levy figures shown above. However, Charitable and Penal Fees issued by the State and chargable to the County are included above. In Levy Year 1994 for the 1995 Budget, the County no longer levied taxes for the Riverview School Special Education and Taxing District.

December 5, 2013

Members of the Manitowoc County Board:

The Manitowoc County 2014 budget that I proposed called for a tax levy for operations of \$28,859,332.83 to support total spending of \$59,814,824. Adoption of this Budget would have resulted in the typical Manitowoc County property owner seeing a slight decrease in the taxes paid for Manitowoc County government for the eighth year in a row. This would have been good news for taxpayers, especially in time of continuing economic uncertainty.

I would like to express my appreciation, once again, for the willingness of the County Board over the past eight years to join me in making difficult but necessary decisions that have allowed us to hold the line on property taxes while providing high quality essential services. We have worked well together to aggressively and continuously restructure County government in a positive way that serves our community well. We have delivered high quality services that are affordable to taxpayers, while preserving the jobs of our employees whenever possible.

Together we've kept focused on our mission and made the investments necessary to position County government as a positive factor in the life of our community. Manitowoc County has provided millions of dollars to build the infrastructure necessary for economic development. We provide such things as roads, bridges, an airport, and communication facilities for police, fire, and other emergency services. At the same time, during the past eight years nearly every department has undergone major changes as we have streamlined our management structure and flattened organizational charts. Thanks to you, Manitowoc County government is not only more effective, but also more sustainable, nimble, and better able to adjust to change in the future.

I want to particularly commend Supervisor Behnke for his most recent amendment to the budget regarding bringing our union Sheriff's deputies under the same general insurance plan as the rest of us. While this move will not be 'budget neutral', we feel after the individual insurance selections are made, the effect should be manageable. In the spirit of compromise, I am willing and happy to accept that.

I have previously shared with you my concerns regarding both the accountability of the Economic Development Corporation and its refusal to comply with the open records laws. For these reasons I must veto the action taken by the County Board to fund the Economic Development Corporation and raise taxes by \$50,000 in the process.

Therefore, I am issuing a line item veto of lines 181 -187 of the Second Substitute Resolution Adopting 2014 Budget and Property Tax Levy, County Board Resolution No. 2013/2014 – 73. I am also reducing the tax levy from \$28,909,332.83 to \$28,859,332.83 and reducing the composite tax rate from \$5.83997737 to \$5.829877.

I would appreciate and ask for your support of this veto to finalize our budget process. I want to thank the Board as we have worked together long and hard over the past eight years, and this will help keep us on course for the future.

Sincerely

Bob Ziegelbauer

Manitowoc County Committee of the Whole UW-Manitowoc, 705 Viebahn St., Manitowoc, WI November 7, 2013

Chairperson Hansen called the meeting to order at 6:00 p.m.

Attendance: Chairperson Hansen and Supervisors Bauknecht, Baumann, Behnke, Brey, Burke, Cavanaugh, Dufek, Gerroll, Henrickson, Hoff (6:16 p.m.), Hoffman, Holschbach, Kohlman (6:17 p.m.), Kopecky, Korinek, Maresh, Metzger, Nickels, Rasmus, Vogel, Vogt, Waack, Wagner (6:10 p.m.), and Weiss.

Discussion on the proposed 2014 Budget:

County Executive Bob Ziegelbauer explained each change he proposed in the 2014 Sheriff's Budget. Mr. Ziegelbauer cited a staffing issue that occurred in the jail when the Juvenile Detention Center was closed in 2012. In 2012, the staff time in the jail was less one FTE 75% of the time when compared to the staff time that occurred in most of 2013. Discussion followed.

A question was asked regarding the addition of a donation in the 2014 budget to Painting Pathways. Mr. Ziegelbauer's response was that the county uses Painting Pathways as a vendor and therefore it would not be appropriate to donate to them.

Mr. Ziegelbauer presented a handout and compared the proposed 2014 health insurance changes to current health insurance plan. He explained that general employees' deductibles will remain at \$2,000 for a single plan and \$4,000 for a single plus dependents, and \$4,000 for the 2014 newly created employee plus spouse and dependents plan. However, in 2014, general employees will be required to contribute 2% of the plan cost for a single plan, 4% for an employee plus dependents plan, and 7% for an employee plus spouse and dependents plan.

Mr. Ziegelbauer went on to explain that nonunion protective employees' deductibles will remain at the 2013 rate of \$4,000 for a single plan and \$8,000 for a single plus dependents, and \$8,000 for the 2014 newly created employee plus spouse and dependents plan. However, they will also be required to contribute 2% of the plan cost for a single plan, 4% for an employee plus dependents plan, and 7% for an employee plus spouse and dependents plan.

Protective WPPA employees are not subject to a premium contribution due to contract restraints and bargaining issues. Their deductibles will be \$4,000 for a single plan, \$8,000 for a single plus dependents. A plan that provided for spousal coverage was not offered. However, if the WPPA agreed to contribute the employee portion of their WRS retirement contribution (7%, same as a general employee), the general employee health insurance plan described above would be offered to WPPA employees.

General employees and nonunion protective employees' insurance plans will include a working spouse provision where the spouse will not be eligible to be included in the Manitowoc County health insurance plan when the working spouse has access to employer coverage for a cost of less than \$250 per month.

Mr. Ziegelbauer explained that general employees pay 7% of the WRS contribution, and the county is required to pay 7% WRS contribution for protective nonunion and WPPA employees. The increased deductibles for those employees attempts to level the playing field and capture approximately 85% of what is paid to the WRS for protective employees. He also noted that if the health insurance plans remain the same in 2014, it will cost the county an additional \$500,000 due to the new health care law.

Mr. Ziegelbauer said that there is an opportunity to close the 10-15% gap between the general and protective employees through bargaining. He noted that due to a current court case, there have been no negotiations, but there have been conversations.

Supervisor Nickels remarked that if the county cannot come to an agreement with the WPPA, we could end up in binding arbitration. The arbitrator will be looking at surrounding areas and it will then be an increased cost to the county. He also noted that he would expect that the county is looking at other health insurance plans. Mr. Ziegelbauer replied that the county is self-funded and he feels this is a very good plan. Discussion continued on the proposed health insurance plan.

Supervisor Holschbach talked about a probable \$5 million in deferred Capital Outlay and Capital Improvement projects, and questioned how the county is going to deal with the roads and bridges that require maintenance. He remarked that we could do what 62 other counties are doing, and that is to designate a one-half cent sales tax which could give the county funding for the road and bridge repair. Discussion followed.

Supervisor Hoff discussed a potential monetary proposal for Painting Pathways Clubhouse and questioned why the County Executive chose to not put it in the budget. Mr. Ziegelbauer responded that the county purchases services from the clubhouse and it was not a good idea to earmark a donation in the budget. He went on to say that they will do well as more mental health dollars come from the state.

Supervisor Holschbach explained that Painting Pathways Clubhouse assists those diagnosed with mental illness enabling them to become employable, and this is the cutting edge of what is to come in the future. Mentally ill diagnosed people who would cost thousands of dollars in institutions are now employable through this clubhouse.

Supervisor Rasmus commented that among the state clubhouses that are like Painting Pathways, Manitowoc County is the only one who doesn't give a direct grant.

Supervisor Gerroll asked what was driving the request.

Supervisor Holschbach proposed \$15,000 for Painting Pathways Clubhouse with the requirement of a yearly report. He remarked that these volunteers are doing something exceptional and this relates directly to county dollars. Discussion continued on Painting Pathways Clubhouse.

Supervisor Brey will be looking at options to fund a proposed \$50,000 for the Economic Development Corporation.

Supervisor Burke commented that it was difficult to understand that we cannot find a way to support the insurance plan in 2014 when the Highway Department received \$500,000 funding in 2013 and \$2 million were designated to the department in 2012.

Supervisor Metzger noted that she will request and support a single Human Services Director in the 2014 budget.

Chairperson Hansen announced that the Finance meeting will be on Monday, November 11 at 4:00 p.m.

<u>Adjournment</u>: Supervisor Gerroll moved, seconded by Supervisor Kopecky to adjourn the meeting. Upon vote, the motion passed unanimously and the meeting adjourned at 8:20 p.m.

Respectfully submitted,

Jamie J. Aulik, Manitowoc County Clerk

Don Goeke, City of Manitowoc, spoke in opposition to the proposed sales tax. Mr. Goeke supported the spousal carve-out of the health insurance plan.

Emily Matthews, Town of Schleswig, referred to a press release that announced employers were not required to provide health insurance for spouses. Ms. Matthews commented that more businesses may leave Manitowoc County if a one half percent sales tax would be imposed upon them.

Dennis Jacobs, Town of Kossuth and an employee of the Sheriff's Office, noted that the County Executive controls what information is given to the media and to the Board. Mr. Jacobs expressed concern that the County Executive has compared Sheriff's officers to the private sector when there can be no comparison and urged the Board to do the right thing when voting on the proposed budget.

Catherine Shallue, City of Manitowoc, commented that most employees in the private sector pay at least 20% to 25% for their health insurance premium. Ms. Shallue noted that the proposed one half percent sales tax is not acceptable.

Joe Keil, City of Manitowoc, asked where in the private sector are employees terminated and then hired back at a lower pay rate, and where in the private sector must one work ten hours before they receive overtime. Mr. Keil implored the Board to not pass this proposed budget with the spousal carve-out.

Bob Dewane, City of Manitowoc and an attorney in the District Attorney's office, talked about the well-trained deputies who help him do his job. He explained that law enforcement officers sense that they are being challenged to leave Manitowoc County employment and this would create a large pool of well-trained employees for other counties.

Joann Fleck, City of Two Rivers, asked whether the unemployment rate in the county was considered when this proposed budget was put together. Ms. Fleck noted that taxpayers do appreciate what employees do for the county, but everyone must live within their budget.

Chip Maura Yost, Town of Centerville, commented that the Employee Retirement Income Security Act deems spouses as qualified dependents for health insurance but noted that the county was exempt as a self-insured unit of government. Ms. Yost also petitioned the Board to fund a single Human Services Director position.

Jim Leist, City of Manitowoc, opposed the proposed tax increase. Mr. Leist commented that more taxes mean more money for the government to waste, and it is time to learn how to live within our means.

Jack Lechler, City of Kiel, addressed the Board regarding the proposed one half percent sales tax. Mr. Lechler referenced a statement made by the Mayor of the City of Kiel who said that the tax is the last thing to implement at this time. Mr. Lechler was concerned that employees want to retire at 52 or 55 and asked, what happened to working for a living.

Joe Kosek, City of Manitowoc, spoke in opposition to the one half percent sales tax.

Jeff Horneck, Village of Mishicot and an employee of the Sheriff's Office talked about a link

that the Y100 radio station where the County Executive was explaining how the health insurance is free to the employees. Mr. Horneck said it is not free because their insurance plan is an \$8,000 deductible and he felt that the media is being fed false facts. He also was opposed to the spousal carve-out.

Deb Keil, City of Manitowoc, spoke to the Board in support of the one half percent sales tax. Ms. Keil remarked that the county needs to be audited. She expressed concern that the county does not have good leadership and asked the Board to be strong, ask questions, and not to be bullied into passing this budget.

Dustin Wernli, Town of Newton, commented that he does not want to pay more taxes. Mr. Wernli expressed that he does not think there is a money problem, but there is a management problem. He noted that the Sheriff's Department employees should pay their fair share and they are willing to do so.

Edward Kakes Jr., Town of Kossuth, addressed the Board regarding the one half percent sales tax that he is willing to pay. Mr. Kakes noted that employees were told that there would be a modest increase in health insurance and then there was a modest decrease in wages.

Theresa Fessler, City of Manitowoc, spoke in opposition to the one half percent sales tax.

Ken Olive, City of Manitowoc, who is a health care field said that when he approaches 40 hours during a work week, his employer sends him home in order to avoid paying overtime. He also noted that public employees should pay the same health insurance premiums as those in the private sector.

Andy Beck, City of Manitowoc and an employee of the Sheriff's Office, said that he is one of the younger employees and his wife is no longer covered under his health insurance. Mr. Beck pointed out that their job is unique in that they deal with the drug dealers, syringes in drug houses, fatal crashes, and pulling dead bodies out of water. He requested that they be paid fairly for their job.

RESOLUTIONS

Corporation Counsel Rollins explained his communication to the board regarding the motion to reconsider the 2014 budget.

Supervisor Burke raised a point of order regarding the motion to reconsider the budget that was made at the November 19, 2013 county board meeting. She stated that the motion violated County Board Rule 3(d) and that the point of order should be sustained in light of the concerns raised by Supervisor Kopecky and other members of the board. The chair sustained the point of order.

Corporation Counsel Rollins explained that the effect of the chair's ruling on the point of order was to invalidate the action on the motion to reconsider and the board's subsequent action in approving the Substitute Resolution. As a result, the county did not have an approved budget, the budget issue was back before the board, and a motion to adopt a budget would be in order. Such a motion could renew the Finance Committee's recommended budget, renew the Substitute Resolution, or offer a new resolution or substitute resolution.

Supervisor Behnke moved, seconded by Supervisor Maresh to adopt the Second Substitute Resolution Adopting 2014 Budget and Property Tax Levy. Discussion followed.

Supervisor Metzger moved to eliminate the spousal carve out and working spouse provision for all county employees, transfer \$400,000 in funding from the airport to pay for the insurance change, and privatize the airport. There was no second to the motion.

Supervisor Brey moved, seconded by Supervisor Baumann to delete after "January 1, 2014" in line 132, line 136 after "January 10, 2014" through line 137; eliminate line 141 after the first "probationary period" through line 143, transfer \$50,000 from July 1, 2014, 1.0 percent wage adjustment and to place the allocation in a new account entitled EDC of Manitowoc County membership dues, with the conditions that the Wisconsin open meetings law does not apply to Manitowoc County membership, that the EDC of Manitowoc county enter into a yearly agreement with Manitowoc County, and that the County Executive is an ex officio member and a representative from the Manitowoc county Board who is appointed by the county Board chair will serve on the EDCMC Board of Directors. Upon discussion and vote, the motion failed 4-21 with Supervisors Baumann, Brey, Nickels, and Weiss voting aye, and all other supervisors voting no.

Supervisor Brey moved, seconded by Supervisor Holschbach to increase the tax levy by \$50,000, and to place the allocation in a new account entitled EDC of Manitowoc County membership dues, with the conditions that the Wisconsin open meetings law does not apply to Manitowoc County membership, that the EDC of Manitowoc County enter into a yearly agreement with Manitowoc County, and that the County Executive is an ex officio member and a representative from the Manitowoc county Board who is appointed by the county Board chair will serve on the EDCMC Board of Directors. Upon discussion and vote, the motion passed 13-12 with Supervisors Bauknecht, Behnke, Cavanaugh, Dufek, Gerroll, Hansen, Henrickson, Kohlman, Kopecky, Korinek, Vogel, and Vogt voting no, and all other supervisors voting aye.

Supervisor Hoff moved, seconded by Supervisor Holschbach to delete after "January 1, 2014" in line 132, line 136 after "January 10, 2014" through 137; eliminate line 141 after the first "probationary period" through line 143; bring all individuals below minimum wage in their wage band up to the minimum by their anniversary date. Upon discussion and vote, the motion failed 9-16 with Supervisors Brey, Burke, Hoff, Holschbach, Metzger, Nickels, Rasmus, Vogel, and Weiss voting aye, and all other Supervisors voting no.

Upon discussion and vote on the Second Substitute Resolution Adopting 2014 Budget and Property Tax Levy as amended, the motion passed 20-5 with Supervisors Burke, Dufek, Hoff, Kopecky, and Metzger voting no, and all other supervisors voting aye.

Budget - Departmental Presentation

Manitowoc County is required to present and adopt an annual budget pursuant to Wisconsin State Statute 65.90. The format for the budget that is prescribed is a budget by fund with information within the fund to be presented by major category. While this method is also endorsed by the Government Finance Officers Association (GFOA), it is a format the average citizen finds hard to understand. This section presents the County's Fund budget more in line by operating Department. Presenting it in this manner not only allows us to show additional information, but in a way that will be more comprehendable to the general public.

The Highway Department Special Revenue Fund exists to pay for work done by the Highway Department Enterprise Fund on the County trunk system. It is this Fund where State Aids and the Property Tax Levy for the County System are accounted for. The County receives State Aids for our system based upon formulas established by the State of Wisconsin. Property Taxes make up the difference for paying the Highway Department for maintaining and constructing our County trunk system. Town Bridge Aids is a program established by the State to help the Towns pay for constructing and maintaining their local bridges. All Towns participate in this program and share one-half of each others costs which is apportioned based upon their equalized value. The other half of their cost is based upon their Towns petitioned amount.

The Manitowoc County Highway Department is responsible for maintaining all of the State Trunk Highway System within Manitowoc County, including I-43. We are also responsible for all of the maintenance and construction of our County Trunk System.

County Road Summer Maintenance: This Includes: patching, cracksealing, wedging/rut filling, milling, grinding bumps, sweeping pavement, traffic control, surveillance, repairing joints, punchouts/blowups, drainage, safety appurtenances, sealcoating, shoulder maintenance, mowing, roadside vegetation control, bridge inspection and repair, signing, pavement marking, litter pickup, culvert replacement, and concrete pavement repair. Our department also performs these same functions for the Department of Transportation, except for bridge inspections and pavement marking.

County Road Winter Maintenance: Winter maintenance includes drift prevention, application of sand, salt, and chlorides, plowing and blowing snow. We have one shift of employees, which works from 6:30 a.m. to 3:00 p.m. If winter weather dictates longer hours are needed, our one shift of employees will work from 4:00 a.m. to 8:00 p.m. on county trunks. The highway department also provides winter road maintenance to the Department of Transportation from 4:00 a.m. to 8:00 p.m. on all state highways, except I-43 which requires 24-hour service.

Building Maintenance: The department performs all the maintenance of it's buildings which include the main shop on STH 310 and the satellite shops located on I-43 and in the Village's of St. Nazianz, Mishicot and Reedsville.

Internal Service Fund Operations: This fund consists of work that our department performs for the Department of Transportation, cities, towns, and villages. It also consists of our cost pools, such as, asphalt, gravel, machinery, buildings and grounds, capital acquisition, fuel, fringe benefits, materials, and supplies. There is no tax levy for this operation.

County Aid Bridges: This program was implemented to help townships fund large bridge projects. All townships participate in this funding tool. Any bridge or culvert pipe over 36 inches and exceeding \$750 in cost is eligible for this funding. The Highway Department is responsible for the billing and inspection of these bridge projects.

department is responsible for maintaining 136 centerline miles of state highways and 287 centerline miles of county highways. The department is also responsible for maintaining 50 county bridges. Due to the slowing of the economy and budget constraints, the department is constructing or paving approximately 5 miles of roads per year which equates to a 57 year cycle. The standard under normal circumstances would be approximately 15 miles per year or a 30 year life cycle.

Additional information about the Highway Department can be found on the County's web site at: http://www.manitowoc-county.com/announcements/ind.asp?DepartID=15&ID=1384

The Manitowoc County Planning and Zoning Department, created in 1959 by resolution of the Manitowoc County Board of Supervisors, is responsible for providing the professional planning services necessary to promote the public health, safety, convenience and general welfare; to encourage planned and orderly land use development; to protect property values and the property tax base; and to achieve the purposes for which planning and zoning authority has been granted to the county pursuant to Wis. State Statute 59.69(1) and other statutes. The department is responsible for administering the following county ordinances: Airport Height Limitations and Approach Protection, Comprehensive Plan, Floodplain Zoning, General Zoning, Large Wind Energy Systems, Nonmetallic Mining Operations, Police, Private Sewage Systems, Private Water Systems, Setbacks, Shoreland Zoning, Small Wind Energy Systems, Standards for Wireless Communication Facilities, Subdivision/Certified Survey Regulations, and Use of Citations for Certain Ordinance Violations. In addition, the department assists Emergency Management in the development of the county's Hazard Mitigation Plan and assists the County Clerk with redistricting.

During the last fiscal year, Planning and Zoning issued 303 zoning/building permits and 214 private on-site wastewater treatment system permits (POWTS), which represents approximately \$25,000,000 in construction related activity. Staff reviewed and approved 103 property surveys, enabling recording of the survey at the Register of Deeds Office. In addition, 225 on-site construction inspections were conducted. Staff investigated 125 complaints/violations; as a result, 85 citations were issued and 25 violations were forwarded to Corporation Counsel for enforcement. The department qualified 37 individuals for the Wisconsin Fund Program, who collectively received \$125,000 in state grants to assist in the replacement of their failing POWTS. As mandated by state law, the department notified 3,500 property owners of the requirement to maintain their POWTS once every three years. The county's Floodplain Zoning Ordinance, General Zoning Ordinance, Large Wind Energy Systems Ordinance and Small Wind Energy Systems Ordinance were recently re-written and adopted by County Board Resolution.

The Manitowoc County Expo Center is the home of the Manitowoc County Fair and hosts many other events including horse shows, dog shows, motorcycle shows, car shows, receptions, graduation parties, company picnics, and rummage sales. The Expo Center is located at 4921 Expo Drive in Manitowoc about ½ mile from Interstate 43, shopping, restaurants, and hotels. Expo activities are accounted for in four distinct program areas. 1. Expo Activities which account for all events at the Expo Grounds excluding the Fair and Ice Center Events; 2. Expo Fair which accounts for the annual County Fair; 3. Ice Center which accounts for all ice rentals and events taking place within the Ice Center facility; and 4. Maintenance and Improvement which accounts for the basic maintenance and improvements that enhance the overall facility, and not one building or particular area.

Based on analyses that was done in 2009 by the City of Manitowoc, the impact of the Expo grounds is significant County wide with over 156,000 visitors to the Expo grounds each year and the positive economic impact to the area from these same visitors being over \$6,900,000 each year according to the report.

The Recycling Center, also referred to as the MRF (Materials Recycling Facility) is owned by Manitowoc County and operated under contract by Holiday House. The facility provides recycling and recovery services for the citizens of Manitowoc County. They also provide information about recycling to the public and on occasion sponsor special programs for collecting and processing various items.

In 2012 the County processed and marketed over 4300 tons of recyclables and composted over 14,000 tons of organic materials which were delivered by the users of the programs. These materials were diverted from the landfill site where the cost would have been over 1 million dollars to the users of the County programs based on previous practices prior to the recycling program.

Manitowoc County has a master contract with Waste Management for disposal of solid waste at the Ridgeview Landfill. The master contract ensures a reduced unified price for all County Municipalities to dispose of their solid waste materials. The County is billed by Waste Management with the County then billing the Municipalities for the materials disposed of. The landfill is owned by Waste Management with the County responsible to maintain the access road (Hempton Lake Road) by contract with the Municipalities. The Solid Waste Fund accounts for this contracted service of solid waste disposal.

over 36400 tons were processed through the master contract with a savings of over \$690,000 to the users of this contract. The yearly savings is due to the County Master contract price verses the standard gate rate for disposal at the Ridgeview Landfill site.
