October 8, 2019

Ladies and Gentlemen of the Manitowoc County Board,

The Manitowoc County 2020 budget that I am proposing today, calls for a tax levy for operations of \$30,893,895.42 to support total spending of \$71,586,149.00.

Our mission is to keep delivering high quality services, efficiently, taking as little from the taxpayers as we can. We have held the line on taxes for 2020 again. The typical taxpayer will see a slight decrease in the county property tax. This is continued good news for taxpayers.

Manitowoc County's long term financial goals and priorities continue to be:

- Hold the Line on Taxes while delivering high quality services
- Keep our debt low less than 10% of the statutory maximum limit
- Continue with a robust capital improvement program
- Maintain our facilities, County Trunk roads, and equipment.

Our financial plan is working. For an example of that look to last year's financial results. Prior to the election in 2018 we agreed upon a budget that focused on transportation, borrowed \$1,500,000 and held the line on taxes. During the election campaign that followed the fact that we were borrowing money for transportation was blown up as a sign that we needed to implement the local option county sales tax as new dependable revenue. We resisted this and will again, but look how it turned out. For the year 2018 we accumulated more than \$1,500,000 in surplus and reduced our debt by \$420,000. Years like 2018 help us continue to keep our taxes as low as possible.

These budgets are more than one year plans. Annual budgets fit together in one unified strategy to achieve our long term goals and priorities. Simply put, we have a plan to deliver high quality services and maintain all of our equipment, County Trunk roads and bridges, now and in the future. We are not cheap, but hold the taxpayer's money as a precious resource.

Please look at the charts I've attached. They were prepared by the Comptroller and show our history on capital spending and debt. Recall our independent auditor at the County Board meeting on June 18, 2019 pointed out our low debt and said; "compared our debt outstanding as a percentage of equalized value with ten of the surrounding counties .... compared very favorably. Our 9% came in second lowest as the other counties in his comparison were between the 10% and 16% range."

Yes, we borrowed some money (\$32,755,000 in the past 14 years) but that supported nearly \$82,000,000 in capital projects. Very low interest rates, and resulting lower cost of capital, spreads the cost of capital expenditures over the useful life to keep our taxes low. Notice how we have maintained our debt at very low levels in the past, usually less 10% of our statutory debt limit. We can reasonably project that we will keep it below that level in the future.

We are in a good position for the future. Manitowoc County continues to be in strong financial shape. For the past 14 years we have been working together with the County Board to make decisions that hold to two important priorities: continuing to hold the line on property taxes while delivering high quality services. We have kept government affordable and have modernized daily operations, while always staying focused on the future. Keeping our debt low we also have a robust capital improvement plan and facility maintenance program.

Our theme for 2017, 2018, and 2019 was on big projects. In the past three years we did these:

- A University of Wisconsin facility renovation for \$5,000,000.
- Moving the location of the Aging and Disabilities Resource Center (ADRC) and Veterans' Service Department from the County Office Complex to the Heritage Center on Michigan Ave.
- Moving the County Board meeting room to the Heritage Center.
- Moving the Job Center to the County Office Complex.
- Improving the Manitowoc County Expo property with additional parking and creating a special entertainment area in conjunction with selling a piece of the Expo property to the Meijer grocery stores.
- Constructing the Dairy Cattle Barn at Expo for \$625,000;
- Reconstructing 18 miles of County Trunks in 2018 and 14 miles in 2019
- Constructing a bridge and a road widening project on Rapids Road for \$5,000,000

In 2020 will we concentrate on smaller but important projects like the pavilion at Maribel Caves' park and the reconstruction of 14 miles on County Trunk Highways and a smaller bridge project on CTH "S".

I am recommending that we borrow \$1,275,000 for these highway projects. It is appropriate for capital projects that last many years, to spread the cost to taxpayers over the useful life and to keep our taxes low. Manitowoc County will retire \$2,575,000 in outstanding debt next year making our net reduction in debt equal to \$1,300,000. The current relatively low interest rate market gives us an advantage.

My budget proposal for 2020 contains several key items that I would like to specifically draw to your attention as you consider this plan.

1. The proposed tax levy for 2020 of \$30,893,895.42 holds the line on property taxes, is within the limits of state law, and provides the typical county property taxpayer with a slight tax decrease from last year.

- 2. Road construction continues to be a high priority in 2020. In 2020 I am recommending that we appropriate \$2,283,000 for highway projects with 14 miles of resurfacing. We have an aggressive 17 year plan for County Trunk road maintenance. Our county trunk road are in good shape. With this appropriation we will maintain with our five year plan for road maintenance and construction. (See the charts with our five year plan for Highways and related spending on pages 50 52).
- 3. The Human Service Department is growing mainly in reaction to the "opioid crisis". (see pages 25 and 28) We added 3 positions during the year in 2019 to the Mental Health division in the CCS program. The State of Wisconsin is now helping out with funding and grants. In the 2020 budget I am recommending that we two additional CCS positions, a "Foster Home Support" worker, an "In Home Safety Worker/Parenting Coach" and a "Children's Long Term Support Waiver Specialist" for a total of 5 positions. We are also continuing with the Drug Court grants and Pre-trial Diversion programs for 2020.
- 4. We have a new Sheriff, Dan Hartwig. The Sheriff wants to adjust the schedule of work in the jail from 8 hour shifts to 12 hour shifts. This will help increase staffing, cut overtime, and give the jailers more weekends off during the year. I support the Sheriff in this effort. The County Board passed a resolution adapting the overtime schedule for jailers in September. The change will be effective in early January.
- 5. The Sheriff is also proposing to increase his fleet of squad cars. I am recommending that he will be allowed to increase his fleets by one new car and two used cars, from 6 new squad cars to 7 for a total of 9.
- 6. The Sheriff's department currently has 4 part time patrol positions at 90% of FTE. I am recommending that these 4 positions be raised to full time.
- 7. I am recommending that the Manitowoc County Expo continue with the maintenance effort for \$170,000 that they have detailed in the miscellaneous portion of this budget document. The funding will come from the Expo Land Sale Reserve Fund and has been recommended unanimously by the Expo Board and the Public Works Committee. This continues to be a major improvement to the Expo grounds previously unachievable in the past due to insufficient Expo Reserve funds. The Expo Land Sale Reserve Fund will have approximately \$1,700,000 at the end of next year. (See page 55-56)
- 8. I am recommending the Parks budget use \$237,500 from the ATC Reserve Fund for to fund our share of the Maribel Caves' DNR grant pavilion project which will include blacktopping, playground equipment, trail work, and a kayak launch in the third year of the recurring 5 year plan for Manitowoc County Parks. The ATC reserve account will have a balance of \$20,299 at the end of the 2020. (See page 57)

- 9. Our employment level is stable. (Please refer to pages 23-31) Our performance management plan is in its seventh year of providing employees an opportunity to increase their salary up to two percent for their continuing good work. We are meeting the goal that we set out to achieve: rewarding employees for continual improvement in the delivery of services. I am proposing that we increase our pay plan schedule by 1 percent across the board to take into account modest inflation and recommending a small number of reclassifications.
- 10. Health Insurance costs are always an important. We continue to improve the plan at no cost to our employees. We made some changes in 2016 due to increased high cost claims and the requirements of the Affordable Care Act. We made some changes already approved by the Personnel Committee to provide additional choices and benefits in 2020. As a result of our good experience with this self-funded self-directed high deductible health plan there will be no changes recommended in health care premiums for the sixth year in a row. (See page 31 for details on the plan, and page 58 for our health insurance claims history.)
- 11. I am recommending that we appropriate \$270,000 for the Public Works Department to fund major maintenance in the fifth year of our continuous five year program. (See more on this in the miscellaneous section, page 54.)
- 12. At the Manitowoc County Airport we are now operating the Fixed Base Operator function. We will continue to operate it and reevaluate this annually.
- 13. Manitowoc County contributes to Economic Development is so many ways. We maintain the county roads and transportation system for millions of dollars per year. The county runs the airport and keeps it modern. We support the University of Wisconsin's facilities in our community. Manitowoc County concentrates on doing our primary responsibilities well, improving every day, and most of all we do all of this efficiently at the lowest possible tax rate, year in and year out, and that fosters an environment for continued economic growth.
- 14. I am recommending that we appropriate \$417,282 from the general fund balance surplus that we accumulated in 2018 to fund this budget.

#### To summarize.

In 2020 we are "holding the line" on taxes, the typical taxpayer will pay less than he did last year in county taxes, borrowing \$1,275,000 to partially fund our highway projects, expanding our Human Service budget in mental health and foster care in response to the "opioid crisis", enhancing our parks, and paying down our debt by \$1,300,000 by nearly 5%.

We have the opportunity to pass a budget which shares the general prosperity with the taxpayer of Manitowoc County. For the typical property taxpayer in Manitowoc County the tax paid for county services will be less that when I started in 2006 as County Executive. We work hard to hold the line on taxes and have concentrated on our expenditures seeing to it that we spend the taxpayers' money as efficiently as possible. We have been rewarded for our continued efforts for find efficiencies. It's paid off, in our services and the quality of our operations countywide.

I am grateful to the County Board for their willingness to join me in making difficult but necessary decisions that have allowed us to be successful. We have made good decisions in the past which will keep county government affordable for years to come. I am grateful to all of the employees of Manitowoc County for the good work they do, and the leaders in all of our departments.

Thanks to the support of the County Board, and the citizens of our county, Manitowoc County government is not only more effective, but also more sustainable, nimble, and better able to adjust to change in the future.

I draw your attention to the section of the budget booklet which re-states and summarizes appropriations on a department by department basis. This section provides important information on the mission, resources, staffing, and tax levy necessary for each department; making for an easier understanding of its impact. Other information included in the miscellaneous section is also important to help a reader get a better understanding of specific new proposals for 2020 and how they fit into the entire Manitowoc County budget plan.

I believe that this is a good plan for Manitowoc County government especially attuned to our community. I look forward to your deliberations over the next few weeks and would appreciate your support of these proposals. I invite you to meet with me as needed, informally or at the committee level, to help answer your questions, help you understand details in this budget, and evaluate options under consideration as you prepare to pass it in November.

As is always the case please don't hesitate to call on me if I can ever be of assistance to you on this or any other issue of importance to you. Thank you very much for your consideration.

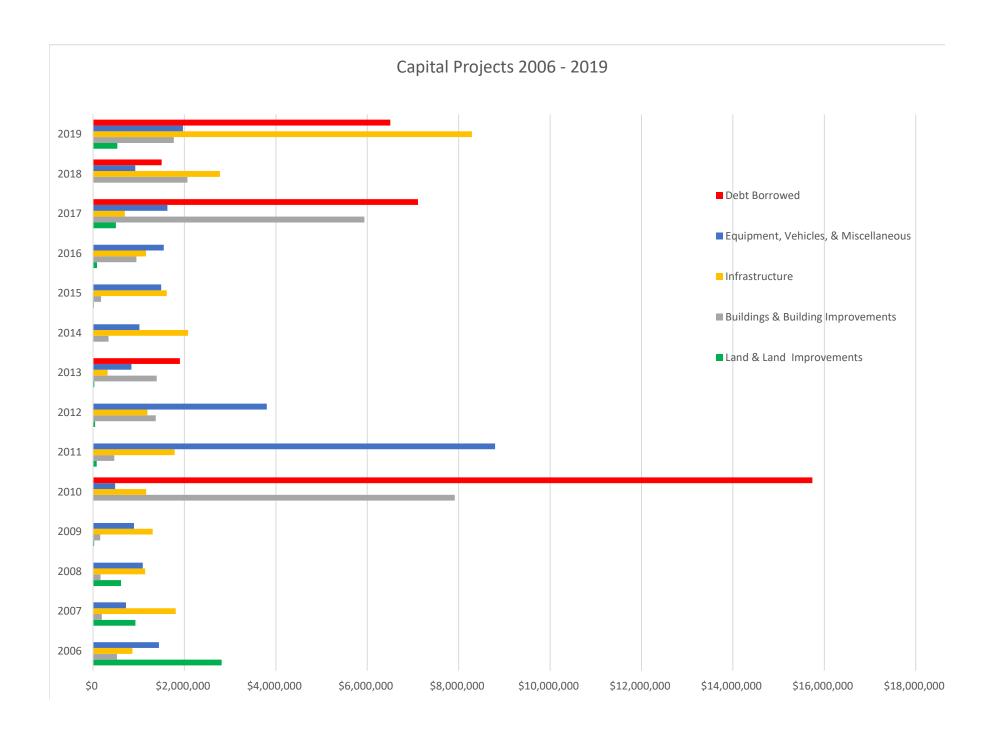

Sincerely,

Bob Ziegelbauer

Manitowoc County Executive

#### Personnel Changes Included in Adopted 2020 Budget

## A. Full-Time Equivalent (FTE) Changes

All of the following changes are included on the proposed 2020 FTE Summary. New position titles and changes in the number of positions appear in bold font.

<u>Human Services:</u> I am proposing the addition of 5.0 full-time positions. All are fully funded by sources other than tax levy.

- a. <u>In-Home Safety Worker/Parenting Coach</u>: This new position will work with the Child Protective Services Intake Division. The purpose of this position is to work with families to avoid out of home placements of children.
- b. <u>Foster Care Support Worker</u>: This new position will work with the Child Protective Services Ongoing Division. The purpose of this position is to assist Foster Parents in meeting the needs of the children placed in their care.
- c. <u>Waiver Specialist</u>: The addition on one more full-time Waiver Specialist will bring the total Waiver Specialists to 6.0 full-time positions. These positions work in the Family Resource Unit. The purpose of these positions is to authorize and coordinate services to assist families in caring for their children in their home thus avoiding out of home placements.
- d. <u>CCS Service Facilitator</u>: The acronym CCS stands for "Comprehensive Community Services". The addition on one more CCS Service Facilitator will bring the total CCS Service Facilitators to 6.0 full-time positions. These positions work in the Clinical Services Division. The purpose of these positions is to provide and facilitate services for individuals with chronic mental illnesses to enable these individuals to avoid institutionalization and live in the least restrictive manner possible.
- e. <u>CCS Psychotherapist</u>: This new position will provide group and individual counseling and crisis management to individuals with chronic mental illness who are participating in the CCS Program. This position works in the Clinical Services Division.

**Sheriff's Department:** I am proposing increasing the 4 - .90 FTE Patrol Officers in the Sheriff's Department to full-time.

#### B. Reclassifications

The following positions met the criteria for reclassification:

a. <u>Clerk of Court Office:</u> Two counter clerk positions have been reclassified to Court Clerks. Banding for these positions changed from B22 to B23.

b. <u>Public Works Department</u>: Two positions in the Information Systems Division have been reclassified:

Banding for the Information Systems Manager has changed from D62 to D63 Banding for the Human Services System Administrator has changed from C42 to C43 and the title has been changed to Business Systems Analyst

c. <u>Health Department</u>: A vacant Public Health Nurse position has been reclassified to a Nurse Manager position and banding for the position changed from C43 to D62

## C. Proposed Changes to the Wage Schedule

Our performance management plan continues to provide our employees an opportunity to increase their salary in recognition of their good work.

I am proposing a general wage increase of 1.0%, effective December 29, 2019.

#### D. Health Insurance

I am proposing that we maintain the same rates that have been in effect since 2015.

Constant monitoring of plan performance and innovative plan design will allow the following additions to the health insurance plan effective January 1, 2020 without requiring any increase in rate. The Personnel Committee approved these benefit changes at their September 3, 2019 meeting:

- a. Current plan design limits physical, speech and occupational therapy to 20 visits per calendar year. Effective 1/1/20 additional units of physical, speech and occupational therapy will be allowed provided that the additional units are medically necessary.
- b. Current plan design does not cover genetic testing. Effective 1/1/20 genetic testing for the purpose of determining the most effective course of treatment for diagnosed conditions will be a covered benefit.
- c. Since 2017 we have provided cash incentives for employees electing to use the NOVO group for orthopedic services. Effective 1/1/20 employees will also have the opportunity to receive a cash incentive for electing to use Holy Family Memorial for bundled orthopedic services. The incentives range from \$375 \$1500.

Note \* - Actual tax rates will vary by individual municipality because portions of the tax levy are allocated differently throughout the County. The levy portion supporting the library is apportioned only to towns and villages, and the levy portion for bridge construction is only apportioned to towns.

In addition to the County Tax Levy shown above, the County collects on behalf of the State of Wisconsin a forestry tax levy and other minor special assessments which are not considered as revenues to the County and are not included in the tax levy figures shown above. However, Charitable and Penal Fees issued by the State and chargable to the County are included above.

In Levy Year 1994 for the 1995 Budget, the County no longer levied taxes for the Riverview School Special Education and Taxing District.

#### **Expo Capital Improvement Plan**

The following capital outlay plan is for Year 4 of the future improvements to repair or replace major capital items at the Manitowoc County Expo Grounds that were previously unachievable due to insufficient Expo Reserve Funds and is now being funded by proceeds of the 2016 Land Sale.

As presented to the County board in May 2019, the aggressive repair and replacement schedule undertaken from 2016-2018 has put the Expo facility on solid footing for generations. Spending from the Land Sale Reserve fund significantly decreases in 2020, and will continue to decrease in future years.

Each capital project listed below represents a system or component that is either in disrepair, is failing, or has failed, or it is a new item required as a result of the new grounds layout.

#### MAJOR Items of Focus for 2020:

#### <u>Item #1 – Asphalt Replacement</u>

Much of the existing asphalt on the property is approximately 50 years old and was installed on either poor base material or no base material at all. With this allotment we will have replaced about 60% of the poor asphalt and base on the grounds as part of our planned replacement schedule.

#### Item #2 – Gravel Road Repair and Ditch Work

All the gravel roads in the grandstand pit area are in need of grading and more gravel topping. Many of the ditches on the grounds have become silt filled over time and need to be excavated to facilitate proper stormwater flow.

#### <u>Item #3 – Ticket Booth(s) Replacement</u>

The Expo facility has (4) ticket booths.

(2) of the (4) were replaced in 2019. The final (2) ticket booths will be replaced and this will complete those replacements for the facility.

#### <u>Item #4 – Farm Bureau Stand Roof Replacement</u>

This roof is approximately 20 years old and the asphalt shingles will be replaced with metal panels that have a minimum 50 year lifespan.

Both the Expo-Ice Center Board and the Public Works Committee have unanimously passed motions recommending that the County Executive include the entire "Outlay from Expo Land Sale" in the County Executive's budget.

# **Budget - Departmental Presentation**

Manitowoc County is required to present and adopt an annual budget pursuant to Wisconsin State Statute 65.90. The format for the budget that is prescribed is a budget by fund with information within the fund to be presented by major category. While this method is also endorsed by the Government Finance Officers Association (GFOA), it is a format the average citizen finds hard to understand. This section presents the County's Fund budget more in line by operating Department. Presenting it in this manner not only allows us to show additional information, but in a way that will be more comprehendable to the general public.

The Highway Department Special Revenue Fund exists to pay for work done by the Highway Department Enterprise Fund on the County trunk system. It is this Fund where State Aids and the Property Tax Levy for the County System are accounted for. The County receives State Aids for our system based upon formulas established by the State of Wisconsin. Property Taxes make up the difference for paying the Highway Department for maintaining and constructing our County trunk system. Town Bridge Aids is a program established by the State to help the Towns pay for constructing and maintaining their local bridges. All Towns participate in this program and share one-half of each others costs which is apportioned based upon their equalized value. The other half of their cost is based upon their Towns petitioned amount.

Both the Expo-Ice Center Board and the Public Works Committee have unanimously passed motions recommending use of these funds. They include replacement of asphalt to replace existing asphalt which was installed on poor base material or no base material at all, gravel road repair and ditch work, and Farm Bureau stand roof replacement and replacement of the main gate ticket booths. For additional information, please see the "Outlay included in budget" page in the miscellaneous section.

The Manitowoc County Expo Center is the home of the Manitowoc County Fair and hosts many other events throughout the year. The Expo Center is located at 4921 Expo Drive in Manitowoc about ½ mile from Interstate 43, shopping, restaurants, and hotels. Expo activities are accounted for in four distinct program areas. 1. Expo Activities which account for all events at the Expo Grounds excluding the Fair and Ice Center Events; 2. Expo Fair which accounts for the annual County Fair; 3. Ice Center which accounts for all ice rentals and events taking place within the Ice Center facility; and 4. Maintenance and Improvement which accounts for the basic maintenance and improvements that enhance the overall facility, and not one building or particular area.

Based on analyses that was done in 2009 by the City of Manitowoc, the impact of the Expo Grounds is significant County wide with over 156,000 visitors to the Expo grounds each year and the positive economic impact to the area from these same visitors being over \$6,900,000 each year according to the report.

The Recycling Center, also referred to as the MRF (Materials Recycling Facility) is owned by Manitowoc County and operated under contract by Ascend Services Inc.. The facility provides recycling and recovery services for the citizens of Manitowoc County. They also provide information about recycling to the public and on occasion sponsor special programs for collecting and processing various items.

In 2018 the County processed and marketed over 3,318 tons of recyclables and composted over 14,000 tons of organic materials which were delivered by the users of the programs. These materials were diverted from the landfill site where the cost would have been over 1 million dollars to the users of the County programs based on previous practices prior to the recycling program.

Budget Expenditures by Program / Activity	
Public Works:	

Manitowoc County has a master contract with Waste Management for disposal of solid waste at the Ridgeview Landfill. The master contract ensures a reduced unified price for all County Municipalities to dispose of their solid waste materials. The County is billed by Waste Management with the County then billing the Municipalities for the materials disposed of. The landfill is owned by Waste Management with the County responsible to maintain the access road (Hempton Lake Road) by contract with the Municipalities. The Solid Waste Fund accounts for this contracted service of solid waste disposal.

\$1,179,000

\$590,970

\$1,171,470

In 2018 over 30,360 tons were processed through the master contract with a savings of \$739,177 to the users of this contract. The yearly savings is due to the County Master contract price verses the standard gate rate for disposal at the Ridgeview Landfill site.
