

Olive Oil Treatment

	Day	Date	Action
Day 1			<p>1) Apply olive oil, completely covering the hair. Leave in place for 6-8 hours.</p> <p>2) Leave the olive oil in the hair for the comb out. Using a good metal nit comb, comb the hair section by section. Then comb carefully over the entire scalp. Wash out the oil with dish soap or oily hair shampoo.</p> <p>3) Remove any additional nits or dead lice DAILY, as needed.</p>
Day 2 (See Below)			(Repeat steps 1-3 above.)
Day 5			Repeat steps 1-3 above.
Day 9			Repeat steps 1-3 above.
Day 13			Repeat steps 1-3 above.
Day 17			Repeat steps 1-3 above.
Day 21			Repeat steps 1-3 above.

If you choose not to use a lice-killing shampoo, use olive oil on Day 1 and Day 2.
