**Personnel Changes Included in 2025 Budget**

**For employees covered under the Performance Management Plan:**

1. A wage increase of 2%, to be effective December 22, 2024 (which is the pay period that includes January 1). This increase will also be applied to working condition premiums included in the pay plan.
2. Funds have been included for the performance management plan to reward employees for their good work. These increases are effective on the employee’s anniversary date in position:
  - A step increase for employees between minimum and midpoint if their composite performance score is at least 1.75. Step increases average 2.5 - 3.0%
  - Employees between midpoint and maximum will continue to be eligible for a 1.0% increase if their composite performance score is between 2.01 – 2.74, and a 2.0% increase if their composite performance score is 2.75 or greater.

**Changes to Benefit Plans:**

3. An increase of 8% has been applied to health insurance premiums. Employee’s percentage of contribution will remain the same and will now equal (full time):

	<b>GENERAL PLAN</b>		<b>EES W/ARREST POWER HIRED PRIOR TO 07/2010</b>		
<b>LEVEL</b>	<b>Full Premium</b>	<b>EE Cost/Month</b>	<b>Level</b>	<b>Full Premium</b>	<b>EE Cost/Month</b>
<b>SINGLE</b>	\$744.36	\$29.76 (4%)	Single	\$574.52	\$22.98 (4%)
<b>EE+CH</b>	\$1265.41	\$75.92 (6%)	EE+Ch	\$976.67	\$58.60 (6%)
<b>EE+SP/CH</b>	\$2232.99	\$200.96 (9%)	EE+Sp/Ch	\$1723.52	\$155.12 (9%)

4. Health insurance plan design changes: There have been no plan design changes for 2025. The County, however, is required to adjust the individual deductible that is embedded in the family plan each year based on IRS HDHP regulations. While the family deductible remains \$6,000 (no increase), the embedded individual deductible under the family plan will go from \$3,200 to \$3,300 in 2025, per IRS regulation.
5. Dental insurance plan design changes: The dental plan continues to run favorably below funding rates. This gives the County the opportunity to enhance this benefit for employees.
  - a. In 2025, both the Preventative and Comprehensive dental plans will include a CheckUp Plus program. The CheckUp Plus program takes preventive care costs outside of the annual maximum. With this program, preventive care is covered at 100% and the annual maximum would be fully available to members for other services.
  - b. In 2025, the Comprehensive plan will increase the orthodontic maximum from \$1,000 to \$2,500.

Both of these changes can be funded with current premiums.

6. Additional offering of Hospital Indemnity Insurance. Manitowoc County realizes that being admitted to the hospital can be expensive. To help mitigate the impact of a hospital stay on employees and their families, we will be making Hospital Indemnity insurance available to employees. This insurance provides additional financial protection when an employee or covered family member is hospitalized by paying a fixed amount to the member for each day of

hospitalization, up to plan maximums. This is a voluntary plan with employees paying 100% of the monthly premium costs.

7. Addition of Savi student loan forgiveness benefit. Through our partnership with M3, Manitowoc County is able to make available to employees, at a discounted rate, the Savi student loan forgiveness platform. This service has saved members an average of \$187/month in student loan costs by assisting members in accessing the over 150 student loan forgiveness programs, including the Public Service Loan Forgiveness Plan. Participation in this program will be paid 100% by employees electing this service, through the convenience of payroll deduction.
8. Manitowoc County will continue to offer the “HealthJoy” app for Manitowoc County employees. HealthJoy is a mobile app that guides employees through the health care system – encouraging use of high quality in-network providers and easily aiding employees in finding cost savings in prescription drugs, correct care level and participation in other cost saving programs. In addition, the app contains ID Cards, a medical bill review service, an interactive “concierge” to help employees navigate the health care system, and more.

### **Changes to Employee Policies:**

The complete text of these policy changes is included in the Adopted 2025 Budget Resolution.

1. Section 4.03 - Salary Basis Policy - On April 29, 2024 the Department of Labor issued new guidance on the salary threshold for an employee to be considered “Exempt” (not eligible for overtime) under the Fair Labor Standards Act. Part of these guidelines call for an adjustment of that amount in July 2024, January 2025 and, starting July 2027, every 3 years based on up-to-date wage data.

Our current salary basis policy references the current salary threshold. This change will refer to current DOL standards.

2. Section 12.01 - General Restrictions on Use of Paid Time Off – currently, except for positions that are staffed at all times, and except for non-accrued leave, an employee may not combine paid time off with hours actually worked to exceed his or her normally scheduled hours in a calendar week. This change excludes this provision for scheduled vacation when an employee is called-in for a shift with a starting time outside the Department’s normal business hours.
3. Section 18.02 - Overtime - currently, overtime is paid for hours worked in 10 hour per shift, for hours worked on actual holidays, and for time worked during a call-out for the Special Operations Squad, Scuba Team, Canine Unit or other county authorized emergency response unit. Except for positions that the employer requires to be staffed at all times, this change would allow overtime for hours worked as the result of a call-in for a shift with a starting time on a Sunday.

### **FTE Changes/Reclassifications/Rate Changes/Title Changes**

1. Full-Time Equivalent (FTE) Changes

The following is included on the Adopted 2025 FTE Summary:

- a. Increase in Psychiatrist from .50 to .75 (Fiscal Impact \$60,308)

## 2. Reclassifications

The following positions met the criteria for reclassification:

- a. A vacant CCS Rehabilitation Specialist (B23) has been reclassified to a Program Specialist (B22) – Human Services (Fiscal Impact -\$2184)
- b. Two Economic Support Specialist positions (B23) have been reclassified to Lead Economic Support Specialists (B24) – Human Services (Fiscal Impact \$14,747)
- c. Three vacant CCS Facilitator positions (C43) to CCS/CLTS Specialist (C42) – Human Services (Fiscal Impact -\$6729.00)
- d. The current Data Informatics Analyst (C42) has been reclassified to an HSD Information Technology Manager (C52) – Public Works (Fiscal Impact \$11,265)
- e. Facility Maintenance Worker (B21) to Building Maintenance Worker (B22) – Public Works (Fiscal Impact \$2787.20)
- f. Jail Nurse (C43) to Jail Nurse (C44) – Sheriff’s Department (Fiscal Impact \$10,342)

## 3. Additional Rate Changes

- a. On April 29, 2024 the Department of Labor (DOL) issued new guidance on the salary threshold for an employee to be considered “Exempt” (not eligible for overtime) under the Fair Labor Standards Act. Part of these guidelines call for an adjustment of that amount in January 2025, and every 3 years after that by the DOL. This budget includes increases to an ADRC employee and various Human Services Department employees that will not be at the new minimum exemption level as of 01/01. The increase moves these employees to the first step of their pay grade that meets this new minimum requirement. (Fiscal Impact \$54,000)
- b. Highway Department Market Adjustment – in response to the continued competitive nature of the construction field and the resulting difficulty in recruitment for Highway Maintenance Workers, the budget includes a market adjustment for our Highway Maintenance Workers. All Highway Maintenance Workers below the Midpoint of their pay range on 12/22/2024, will be brought up to Midpoint as of 12/22/2024 (the 1<sup>st</sup> pay period that include January 1<sup>st</sup>). This will allow for future recruitments to be done at this higher rate. (Fiscal Impact \$26,000)

## 4. Title Changes

The following title changes are included in the FTE Summary Report:

- a. Meal Site Manager/Administrative Assistant to Meal Site Coordinator (ADRC)
- b. Safety Services Specialist to Family Support Worker (Human Services)
- c. Planning and Land Use Specialist to Land Use and Parks Specialist

Note \* - Actual tax rates will vary by individual municipality because portions of the tax levy are allocated differently throughout the County. The levy portion supporting the library is apportioned only to towns and villages, and the levy portion for bridge construction is only apportioned to towns. In addition to the County Tax Levy shown above, the County collects on behalf of the State of Wisconsin a forestry tax levy and other minor special assessments which are not considered as revenues to the County and are not included in the tax levy figures shown above. However, Charitable and Penal Fees issued by the State and chargeable to the County are included above. In Levy Year 1994 for the 1995 Budget, the County no longer levied taxes for the Riverview School Special Education and Taxing District.

## **I.T. DIVISION**

The Information Systems Department was created in 2000 by Resolution of the Manitowoc County Board to provide a centralized and independent Department as a source of data processing support services for all Departments of Manitowoc County Government. In 2018 the Information Systems Department was moved under the Management of the Public Works Department and made a division of the DPW. In 2023 the division was renamed the Information Technology Division.

Information Technology Operations are funded as an Internal Services Account with Budget allocations derived from each Department within Manitowoc County Government. Information Technology also provides Law Enforcement & Fire Services related billable services to the Cities of Manitowoc, Two Rivers, and Kiel and the Villages of Valders and Mishicot.

Information Technology has assigned 8 staff Employees which are reported in the Public Works Department.

Information Systems provides support on a 7 days per week x 24 hours per day x 365 days per year schedule.

## **COMMUNICATIONS DIVISION**

The Communications Activity is associated with Joint Dispatch and was established to account for all Joint Dispatch Equipment and Infrastructure within the center including the public safety radio towers and antennas located throughout the County. Under the direction of the Public Works Director, this activity accounts for all equipment maintenance and upgrades, including emergency 911 phone infrastructure as well as standard telephone systems and video-conferencing for County Government. One full time equivalent position within the Public Works table of organization is responsible for day-to-day operations and maintenance of the infrastructure system. Maintenance contracts on the equipment are also accounted for within this activity.

The Communications Division provides support on a 7 days per week x 24 hours per day x 365 days per year schedule.

---

## **PUBLIC WORKS**

The Public Works Department is comprised of five divisions: Buildings & Grounds, Solid Waste & Recycling, Communications, Information Technology, and the Expo Center.

The DPW provides a variety of building and grounds maintenance, custodial services, and management of capital outlay and improvements for over 42 buildings. There are over 29 different financial accounts and ledger activities that make up the Public Works Department budget and operational accounts that are managed by the department's staff. The following are general divisions of the Public Works Department:

- General Maintenance and Custodial duties of most County facilities
- Public Safety Radio and E911 infrastructure
- Phone System; Cell Phones; Video Conferencing
- Information Technology Management
- Solid Waste & Recycling Programs; Compost Sites and Material Recovery Facility (MRF)
- Expo Grounds & Buildings; Ice Center; annual County Fair management
- Sale, procurement and bidding for equipment, supplies, services, etc.
- Property Management – Tax Properties; County Commercial Park; Land Leases; Land purchases and sales; etc.

The Public Works Department provides support on a 7 days per week x 24 hours per day x 365 days per year schedule.

## EXPO

The budget for 2025 includes using \$90,000 of the sale proceeds of Expo property to repair or replace capital items unachievable without using these sale proceeds. Both the Expo-Ice Center Board and the Public Works Committee have unanimously passed motions recommending use of these funds. 2025 projects include replacement of asphalt in several locations. For additional information, please see the "Outlay included in budget" page in the miscellaneous section.

The Manitowoc County Expo Center is the home of the Manitowoc County Fair and hosts many other events throughout the year. The Expo Center is located at 4921 Expo Drive in Manitowoc about ½ mile from Interstate 43, shopping, restaurants, and hotels. Expo activities are accounted for in four distinct program areas:

1. Expo Activities which account for all events at the Expo Grounds excluding the Fair and Ice Center Events;
2. Expo Fair which accounts for the annual County Fair;
3. Ice Center which accounts for all ice rentals and events taking place within the Ice Center facility; and
4. Maintenance and Improvement which accounts for the basic maintenance and improvements that enhance the overall facility, and not one building or particular area.

Based on analyses that was done in 2009 by the City of Manitowoc, the impact of the Expo Grounds is significant County wide with over 156,000 visitors to the Expo grounds each year and the positive economic impact to the area from these same visitors being over \$6,900,000 each year according to the report.

For more information on the events on the grounds, go on line at <http://www.manitowocountywi.gov/expo>

## **RECYCLING**

The Recycling Center, also referred to as the MRF (Materials Recovery Facility) is owned by Manitowoc County and operated under contract by Ascend Services Inc. The facility provides recycling and recovery services for the citizens of Manitowoc County. They also provide information about recycling to the public and on occasion sponsor special programs for collecting and processing various items.

In 2023 the County processed and marketed over 2,950 tons of recyclables and composted over 15,000 tons of organic materials which were delivered by the users of the programs. These materials were diverted from the landfill site where the cost would have been over 1 million dollars to the users of the County programs based on previous practices prior to the recycling program.

For more information on Solid Waste and Recycling Programs in Manitowoc County go to our web page:

<http://www.manitowocountywi.gov/departments/q-z/recycling-center/>

## **SOLID WASTE**

Manitowoc County has a master contract with Waste Management for disposal of solid waste at the Ridgeview Landfill. The master contract ensures a reduced unified price for all County Municipalities to dispose of their solid waste materials. The County is billed by Waste Management with the County then billing the Municipalities for the materials disposed of. The landfill is owned by Waste Management with the County responsible to maintain the access road (Hempton Lake Road) by contract with the Municipalities. The Solid Waste Fund accounts for this contracted service of solid waste disposal.

In 2023 over 29,210 tons were processed through the master contract with an estimated savings of \$1,325,500 to the users of this contract. The yearly savings is due to the County Master contract price verses the standard gate rate for disposal at the Ridgeview Landfill site.

**SOLID WASTE ADMINISTRATION**

All administrative costs associated with County personnel for solid Waste and Recycling activities are accounted for in this General Fund activity. This activity also accounts for all costs associated with any of the special programs the County may sponsor such as Clean Sweep and the Drug Collection Program. Grant revenues for these programs are also reflected in this activity.

135 4.03 Salary Basis Policy

136  
137 The Fair Labor Standards Act (FLSA) is a federal law which requires that most employees

139 overtime pay at time and one-half the regular rate of pay for all hours worked over 40 hours  
140 in a work week.

142 However, Section 13(a)(1) of the FLSA provides an exemption from both minimum wage  
143 and overtime pay for employees employed as a bona fide executive, administrative,  
144 professional, and outside sales employees. Section 13(a)(1) and Section 13(a)(17) also

146 must meet certain tests regarding their job duties and be paid on a salary basis at not less  
147 than ~~\$455 per week~~ the amount determined by the U.S. Department of Labor. Job titles

160 non-accrued leave as further provided in this section, an employee may not combine paid  
161 time off with hours actually worked to exceed his or her normally scheduled hours in a  
162 calendar week. This policy does not prohibit an employee from combining non-accrued  
163 leave such as funeral leave as provided in Section 12.02, holidays as provided in Section  
164 12.03, and jury duty as provided in Section 12.07, with hours actually worked to exceed  
165 his or her normally scheduled hours. This policy does not prohibit an employee from  
166 combining approved scheduled vacation leave with hours actually worked when an  
167 employee is called in with a shift starting outside a department's normal business hours.

168

## Budget - Departmental Presentation

Manitowoc County is required to present and adopt an annual budget pursuant to Wisconsin State Statute 65.90. The format for the budget that is prescribed is a budget by fund with information within the fund to be presented by major category. While this method is also endorsed by the Government Finance Officers Association (GFOA), it is a format the average citizen finds hard to understand. This section presents the County's Fund budget more in line by operating Department. Presenting it in this manner not only allows us to show additional information, but in a way that will be more comprehensible to the general public.

The Highway Department Special Revenue Fund exists to pay for work done by the Highway Department Enterprise Fund on the County trunk system. It is this Fund where State Aids and the Property Tax Levy for the County System are accounted for. The County receives State Aids for our system based upon formulas established by the State of Wisconsin. Property Taxes make up the difference for paying the Highway Department for maintaining and constructing our County trunk system. Town Bridge Aids is a program established by the State to help the Towns pay for constructing and maintaining their local bridges. All Towns participate in this program and share one-half of each others costs which is apportioned based upon their equalized value. The other half of their cost is based upon their Towns petitioned amount.

The Manitowoc County Highway Department is responsible for maintaining all of the State Trunk Highway System within Manitowoc County, including I-43. We are also responsible for all of the maintenance and construction of our County Trunk System.

**County Road Summer Maintenance:** This includes: patching, cracksealing, wedging/rut filling, milling, grinding bumps, sweeping pavement, traffic control, surveillance, repairing joints, punchouts/blowups, drainage, safety appurtenances, sealcoating, shoulder maintenance, mowing, roadside vegetation control, bridge inspection and repair, signing, pavement marking, litter pickup, culvert replacement, and concrete pavement repair. Our department also performs these same functions for the Department of Transportation.

**County Road Winter Maintenance:** Winter maintenance includes drift prevention, the application of sand, salt, and chlorides, within the snow removal processes. We have one shift of employees, which works from 6:30 a.m. to 3:00 p.m. If winter weather dictates longer hours are needed, our one shift of employees will work from 4:00 a.m. to 8:00 p.m. on county trunks. The highway department also provides winter road maintenance to the Department of Transportation from 4:00 a.m. to 8:00 p.m. on all state highways, except I-43 which requires 24-hour service.

**Building Maintenance:** The department performs all the maintenance of its' buildings which include the main shop on STH 310 and the satellite shops located on I-43 and in the Villages' of St. Nazianz, Mishicot and Reedsville.

**Internal Service Fund Operations:** This fund consists of work that our department performs for the Department of Transportation, cities, towns, and villages. It also consists of our cost pools, such as, asphalt, gravel, machinery, buildings and grounds, capital acquisition, fuel, fringe benefits, materials, and supplies. There is no tax levy for this operation.

**County Aid Bridges:** This program was implemented to help townships fund large bridge projects. All townships participate in this funding tool. Any bridge or culvert pipe over 36 inches and exceeding \$750 in cost is eligible for this funding. The Highway Department is responsible for the billing and inspection of these eligible bridge projects.

The department is responsible for maintaining 136 centerline miles of state highways and 284 centerline miles of county highways. The department is also responsible for maintaining 48 county bridges. Due to the slowing of the economy and budget constraints, the department is constructing and/or paving approximately 8 miles of highway per year which equates to a 35 year cycle.

Additional information about the Highway Department can be found on the County's web site at: [www.co.manitowoc.wi.us](http://www.co.manitowoc.wi.us)
