

We couldn't do it without YOU!

In 2023, we provided over 1,000 rides for Manitowoc County residents. That wouldn't be possible without the help of our amazing volunteers!

Due to their dedication, elderly and disabled people in our community were able to continue going to the doctor, to the grocery store, out to eat with friends, to hair appointments, and many other activities.

Imagine how many more people will be able to maintain their independence with just a few hours of your time each week!

Program FAQs

What transportation programs may I volunteer for?

- Rural Transportation Program
- Out-Of-County Medical Transportation Program

Do I need to use my own vehicle?

- No – you will be driving county vehicles. A CDL is NOT required.

Am I responsible to assist the rider during the trip?

- Drivers are only responsible for helping wheelchair-bound participants get in and out of the van.

How many hours do I have to work?

- As much or as little as you would like!

Do I need a background check?

- An application and background check are required and must be completed with the Mobility Manager. A guided training will also be completed once approved.

When can I start?

- After your background check clears, your application is approved, and you've gone through the necessary training, you are welcome to begin at any time!

How do I apply?
