Mission Statement

To provide comprehensive and compassionate mental health services to individuals and families in Manitowoc County, with a focus on improving emotional well-being, promoting recovery, and enhancing overall quality of life.

We are dedicated to delivering personalized and evidence-based treatment, fostering a safe and supportive environment, and empowering individuals to achieve optimal mental health and wellness.

Testimonials:

- CCS Services are the best services I've had.
- CCS saved my life! They never gave up on me. I am confident in my recovery now.
- I would and do recommend the CCS program.
- My team went above and beyond to help me reach my goals.
- I didn't want CCS services at first, but it turned out to be life changing for me.

Comprehensive Community Services

A Psychosocial Rehabilitative program for individuals of all ages who need ongoing services for behavioral health challenges beyond traditional outpatient care, but less than the intensive care provided in an inpatient or residential care setting.

Step 1 Do you qualify?

CCS is available to children and adults who meet the following criteria:

- Manitowoc County resident
- Eligible for Medical Assistance,
 Badger Care, or another Medicaid
 program
- Have a mental health or substance use disorder diagnosis
- Attempted outpatient counseling for at least 6 months but was found to be not sufficient
- Are determined by a physician or APNP to need psychosocial rehabilitation services (need a prescription)

Step 2 How do you apply?

Call 920-683-4230 and say you'd like to make a CCS referral. You will then be transferred to fill out an over the phone referral OR the QR code below can be used for Children's Services Referrals.

Step 3 What's next?

A CCS Staff will contact you by phone to explain next steps.

Services may include

- Screening and Assessment
- Service Planning
