Congratulations to our 2026 Outstanding Exhibitors!

The Outstanding Exhibitor Awards celebrate exhibitors who go above and beyond in caring for their projects, developing leadership skills, and representing our program.

They shared stories of challenges, perseverance, responsibility, leadership, family traditions, and personal growth. By winning this award, these kids get the opportunity to sell a basket at the Market Animal Sale!

Outstanding Senior Exhibitor: Madisyn Staudinger

Outstanding Junior Exhibitor: Abigail Herring

Resale

How Does Resale Work?

Our market animal resale program provides a buyer an opportunity to purchase any animal/s during the live auction and simply by holding up the back page of this catalog and showing the auctioneer the “resale” sign that animal will immediately have bidding reopened on it. The first buyer essentially purchases the animal from the exhibitor, but offers it for resale. Once that animal is sold again, that second buyer owns the animal. The proceeds from the resale go directly to the Market Animal Scholarship Fund. This scholarship program annually provides multiple scholarship opportunities for the market animal exhibitors to pursue their careers.

Thank you!!
